

ST. HELENA CATHEDRAL

Sunday  
 Saw a letter of the Park yesterday  
 & leave at 11 for next camp.  
 Slept 3 in a cabin - cold at night.  
 Nothing doing here & wish they  
 would leave earlier. Saw place  
 in road where a geysir broke  
 thru. Sat & in a big hole now &  
 spouting steam. Left before  
 cabin door not yet closed.
